

# Registration Open!

## Infant and Early Childhood Mental Health Summit May 16, 17, 18, 2025

Best Starts for Kids Infant and Early Childhood Mental Health Strategy

### Who Can Attend?

- Any King County Early Childhood Practitioner and Professional Supporting Prenatal to Five Children and Families
- At no cost to you or your organization

The IECMH Strategy invites all King County Providers to enhance knowledge in community and solidarity. Centering the baby in all sessions and grounding our work in equity and social justice we will present our IECMH Guiding Principles and promote social emotional development for our P-5 children in King County. This 3- day event will offer unique opportunities each day that include:

- Attachment
- Grief and Loss
- Equity and Social Justice for Babies
- Supporting Children to Manage and Express a Full Range of Emotions
- Exploring Environment
- Family, Community, Culture
- Promote Relational Health for very young Children and their Families and More!
